Commissioner for Patents
Attention: Examiner Weinstein
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Examiner Weinstein:

The last action in the above-referenced application was a communication dated November 12, 2008 which set a one-month period for response. In this communication you indicated that "failure to take action during this period will be treated as authorization to cancel the noted claims be Examiner's Amendment and pass the case to issue". This is to inquire when we may expect an Examiner's Amendment.

We believe that no fee is due in connection with this communication. However, the Commissioner is hereby authorized to charge payment of any fees associated with this communication, if such fees are due, or credit any overpayment to Deposit Account No. 19-2090.

Respectfully submitted,

Sheldon Mak Rose & Anderson PC
